

CHILDRENS' CORNER

We thought you'd like to know what our children think of our Breakfast and After School Clubs...

I enjoy playing with the Nintendo Switch.

I really like that we can go outside and play with our friends.

Y6

I like going to Breakfast Club because the food is good.

The best thing about After School Club is that all the staff treat you nicely.

Reception

The best thing about After School Club is that I get to go outside and play with different people.

I love playing football outdoors with my friends.

The best thing about After School Club is that Mr Linton tells us funny jokes.

Y3

After School Club is very enjoyable. This term at After School Club the staff have taught us that we shouldn't judge people by how they look and what they wear. We also love going outdoors and the variety of activities that we have to do.
