Choose your instrument

Find out which instruments are taught at your school. For our Star Classes for Year 3 upwards you can choose violin, cello, guitar or keyboard. For Year 4 upwards you can choose flute, clarinet, trumpet or trombone.

Instrument hire is available for all instruments except piano, keyboard, guitar, ukulele, saxophone, recorder and drums.

Choose your lesson

For lessons in school, during the school day, you can choose:

- Group Tuition: if there is teaching space and enough pupils wish to start,
 - a half price introductory term with 4, 5 or 6 pupils in 30 minutes, after the first term or if there are not enough for a large group,
 - 3 pupils in 30 minutes, 10 minutes per pupil in other shared lessons
- Paired Tuition: 2 pupils in 30 minutes, 15 minutes per pupil in other shared lessons
- Individual 20 minute lesson
- Longer individual lessons are available as pupils progress

There are 10 lessons each term. Star Classes and Group Tuition are recommended for primary school beginners. Pupils can attend a lesson in school and a Star Class at the same time. As well as specialist tuition on their chosen instrument young musicians in Star Classes also play in a larger group.

Making Progress

Once young musicians have achieved their first Croydon Music Star award they can join one of our **Star Workshops** (also 9.00 - 10.00 on Saturday morning). After achieving their third Croydon Music Star award young musicians can progress to more advanced ensembles and a Merit Award individual lesson.

After you have applied

When there is a space we shall contact you and send an invoice. If a Star Class is full we shall try to arrange a new class on another day. Once we have received payment the teacher will contact you to tell you the date and time of the first lesson. Another young musician's exciting journey can then begin!
