

In **English** we will be learning to

- Use a variety of different features to write a 'finding tale' with a focus on suspense. We will be exploring the use of short, punchy sentences, dramatic sentence openers, powerful verbs and 'empty words'.
- Poetry will be explored in the later half of the term, linking to our topic of Ancient Egypt!

In **Reading** we will be...

- Studying the book *Krindlekrax* by Philip Ridley, which explores the themes of courage and friendship.

In **Science** we will be learning about

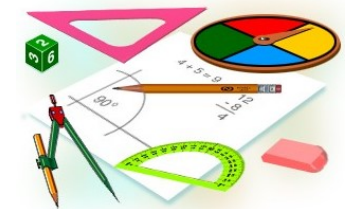

Forces and Magnets:

- Gain an understanding that these are invisible forces that push and pull
- We will conduct investigations on forces like friction and gravity.
- Resistance—air and water

In **Maths** we will be

- Reinforcing our knowledge of the four operations and using them in new ways (i.e. adding and subtracting money)
- Embedding our 3x tables learning and will now be concentrating on our 4 and 8 x tables
- In the latter half of the term we will be changing our focus to wider maths (amounts, time, fractions, data handling and much more!)

What else can I do at home?

- Please ensure your child is completing their weekly Learn Its practise and spelling
- Ensure Mathletics is being completed.
- Encourage your child to read a book each day
- Practice the 4 and 8 times tables
- Practice handwriting

Love, Cooperation, Diversity, Resilience, Responsibility, Trust

In **History** we will be learning about

Ancient Egyptians

- 1) Who were they?
- 2) Where and when they lived
- 3) Explore the role Pyramids played
- 4) Mummification
