[CLICK me to leave a REVIEW](#)

Many of you have already purchased a copy of Joey and the Wobbly Feeling, and we are so grateful for your support.

We have been using Joey's story a lot in school recently, helping children to understand and talk about those "wobbly feelings" that we all experience from time to time. It has been wonderful to see how much the children relate to the story and the conversations it has sparked.

Recently, Mrs Hearne-Reid and Ms Ricketts also took Joey's book with them on our nursery visits. Both the children and adults absolutely loved it, with many commenting on how relevant and reassuring the story is for young children navigating their emotions and new experiences.

We have a very exciting goal of approaching WHSmith and other high street bookshops to see if they would consider stocking Joey's book. One thing that would really help us on this journey is having lots of positive reviews on Amazon. Reviews make a huge difference and show publishers and retailers that the book is making a positive impact on families. If you have purchased and enjoyed Joey and the Wobbly Feeling, we would be incredibly grateful if you could spare a few minutes to leave a review on Amazon. It really doesn't take long, but every single review helps and could make a big difference in helping Joey's message reach even more children.

Thank you, as always, for your continued support of Joey and our school community.

Ms Pugh & Joey 🐾

School Ready Language

Strong oral language skills help children feel confident, connected and ready to learn. This guide explores simple, everyday ways that parents, carers and educators can support children's speaking, listening and understanding, from shared conversations and story time to naming feelings and building vocabulary through play and routines.

It also highlights the value of working closely with nurseries, schools and early years settings, using evidence-based approaches and spotting possible language needs early. With expert insight from OxEd, the guide offers supportive advice to help children become confident communicators as they prepare for school.

WAKE UP WEDNESDAY LINK

Stranger Danger

At **Downsview Primary School**, helping children stay safe is a key part of our curriculum. We teach children that while most adults are **kind and trustworthy**, they should know what to do if someone they do not know makes them feel uncomfortable, asks them to go somewhere, offers gifts, or asks them to **keep a secret**.

Children are encouraged to stay with trusted adults, say **"No"** if they feel unsafe, move away, and tell a trusted adult **straight away**.

We also remind pupils that if they ever need help when out, they should look for a safe adult such as a police officer, teacher, or shop worker.

Please support these messages at home by talking regularly with your child about personal safety and encouraging them to share any **worries or concerns**.

Together, we can help our children stay safe and confident.

Clever Never Goes - The replacement for Stranger Danger from Action Against Abduction

Clever Never Goes is the replacement for Stranger Danger. Help us roll it out to schools around the country and help keep Children safe, not scared.

 Action Against Abduction

Stranger danger

Sadly, children may be at greater danger from people they know, from other children, or on the internet, than from the traditional bogeyman – but abuse and abductions continue to happen and it's important to teach your child how to stay...

 Better Lives Healthy Futures

NSPCC

Keeping children safe away from home | NSPCC

Our tips and advice to keep children safe away from home – at school, at work and at after school activities.

 [nspcc.org.uk](https://www.nspcc.org.uk)

Is technology changing childhood?

Filmmaker, Pixar, has shared that the new Toy Story 5 film will explore how children are spending more time using screens and digital technology. In the story, the toys worry that tablets, video games, and other devices are becoming more popular than traditional toys. The film has highlighted conversations about how childhood and play are changing.

Things to discuss at home:

- What games or toys do you enjoy playing with most at home? Why?
- How much time do you believe people should spend using screens each day?
- What types of play help people use their imagination?
- Can digital technology and traditional toys both be important? In what way?

A record number of dams were removed in Europe

In a victory for nature, more than 2,300 miles of waterways were reconnected in Europe last year, as a record number of dams were removed across the continent.

A new report by Dam Removal Europe, an environmental group, found that 603 river barriers were taken down across the continent last year – up significantly on the 542 removed in 2024. Sweden led the way, with 173 removals, followed by Finland (143) and Spain (109). Iceland and Macedonia, meanwhile, pulled down their first river barriers.

According to the report, the record breaking year saw Europe's dam busters reconnect around 2,300 miles of waterways in 2025, improving river habitats and reopening migratory routes for fish.

Biodiversity gains have already been reported in some places, including along the River Dee in north Wales (pictured), where sightings of sea lamprey nests have surged since Eribstock Weir was removed.

"Seeing these [nests] is genuinely exciting," said Joel Rees-Jones, who led the project. "By reconnecting habitats and removing barriers like Eribstock Weir, we're giving iconic species such as lamprey and Atlantic salmon a fighting chance to thrive."

However, obstacles remain. "With more than 150,000 obsolete barriers fragmenting European rivers, there is still a lot of work to be done," said Dam Removal Europe. "But momentum is really building."

BENEFITS OF CHESS FOR KIDS

IMPROVE MEMORY

PLANNING SKILLS

SPORTSMANSHIP

CREATIVITY

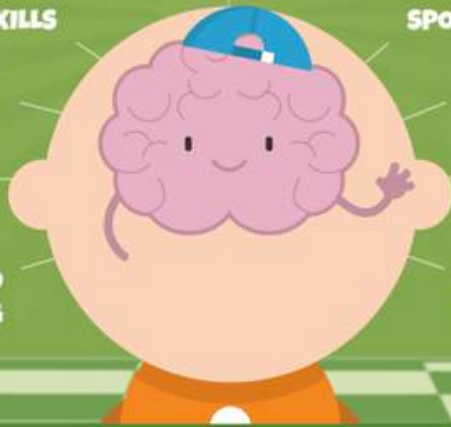

CONFIDENCE

PROBLEM
SOLVING

EMPATHY

CALCULATED
RISK TAKING

LOGICAL
THINKING

Learning chess is fantastic for children because it acts as an intensive mental workout. It actively builds critical thinking, enhances focus, and teaches essential life skills like patience, planning ahead, and taking responsibility for their actions.

Key developmental benefits include:

Sharpened Problem-Solving: Every game presents new, evolving puzzles. Children learn to evaluate consequences, test ideas, and adapt their strategies on the fly.

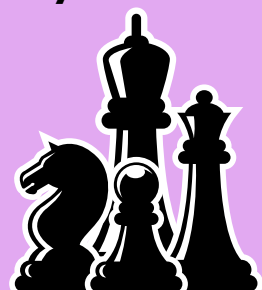

Improved Memory & Academics: Memorizing openings and visualizing future board states strengthens working memory. Many studies show a strong link between regular play and higher scores in mathematics and reading.

Emotional Resilience: Chess teaches kids how to handle both wins and losses gracefully. Analysing mistakes helps them build a growth mindset and understand that failure is just a stepping stone to getting better.

Did you know you can sign up for free at the webpage below and your child can learn to play chess online for free. You can start as a beginner then play tournaments with people around the world.

Mrs Gray is also organising an after school chess club for the Autumn term and the Friends of Downsview are looking into a giant chess set for the KS2 playground to further enhance these skills. **Register today and get your child learning this amazing skill.**

We did it — Plastic Free School status MAINTAINED for 2025–2026!

It takes a whole community to make this happen.

Here's what our incredible school has been up to:

🚫 Eliminated single-use plastics — goodbye plastic bottles, and we're rocking a Plastic Free Xmas!

🗑️ Held a Trash Mob in and around school to analyze the plastic we collected

✉️ Wrote to Croydon MPs, the Mayor of London and the Secretary for the Environment to demand change

🎤 Our Year 5 Eco-Reps wrote an incredible rap and designed their own costumes to spotlight the problem of crisp packets littering our environment

And now — watch our protest in action! 📢👉

Share this video and help us spread the word. Together we can make a difference.

You're a Walker, you're a talker,

You're rich, you're a witch

You're a waster, we needa erase ya

We've got a bunch of sensations (sations)

Yeah, we got some ready salted (salted)

We got some cheese 'n onion (onion)

Yeah, bring me out some Kettles (Kettles)

They're hotter than yo kettles (Kettles)

Bring me out Mc'coys (Mc'coys, Mc'coys)

They are the bad boyz (b-boys b-boys)

There's too much plastic, it's not fantastic

We can do better, we wrote it in a letter

Let's get rid not it, we are not in the thick of it!

Plastic!

Plastic
IS NOT
Fantastic

Y4

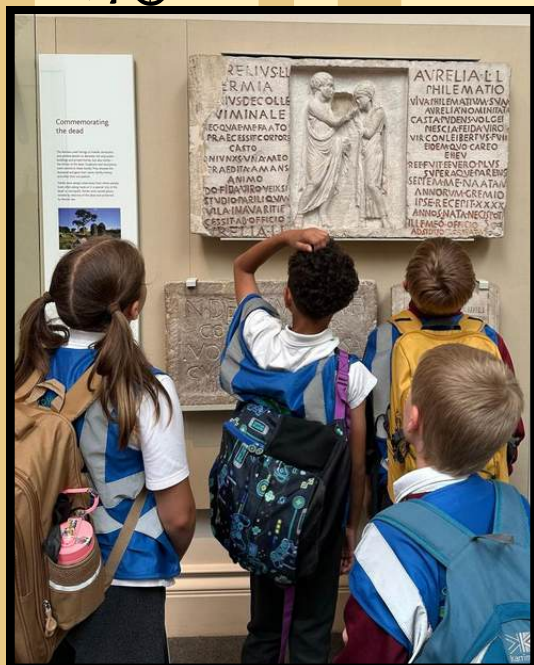

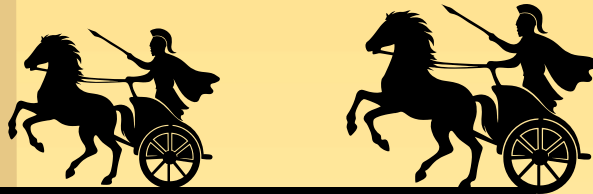

On Monday, Year 4 had a fantastic trip to the British Museum, where we explored a range of fascinating Roman artefacts.

The children were excited to see the exhibits up close and learn more about life in Roman times.

Despite a challenging journey with a cancelled train and some very wet weather, their enthusiasm never wavered!

A huge thank you to our parent helpers for coming with us on the trip – we couldn't have done it without you!

Summer Holiday Camps in Lambeth

A Summer Full of Stories Starts Here – 10% off using code: BIGENERGY10

Holiday HQ, delivered by Junior Adventures Group, brings seven weeks of high-energy adventures, creative challenges and unforgettable experiences to nearby venues across our local community — with something different to discover every day.

From water battles and sports tournaments to science experiments, outdoor exploration and global celebrations, children will stay active, engaged and inspired all summer long through a holiday club packed with movement.

Book now at the following venues:

- 👉 [Clapham Manor Primary School and Nursery](#) – SW4
- 👉 [Paxton Primary School](#) – SE19
- 👉 [Woodmansterne Secondary School](#) – SW16

Claim 10% off using code: BIGENERGY10 – Offer ends 12th July.

Delivered by Junior Adventures Group (JAG), no two days are the same, and children come home happily tired, full of stories and excited for what's next.

[Check out our Activity Schedule!](#)

 Jul-Sept

 Ages 3–12*

- ✓ Safe, Ofsted-registered holiday childcare
- ✓ Experienced, DBS-checked staff
- ✓ Full and half-day options — book only the days you need
- ✓ Tax-Free Childcare accepted

Children head home happily tired and proud of what they've achieved — while parents enjoy dependable holiday cover and an easier week.

The Big Future Survey

HAVE YOUR CHILD'S VOICE HEARD

The Children's Commissioner for England, Dame Rachel de Souza, is inviting children and young people across the country to take part in The Big Future Survey.

This is a fantastic opportunity for children to share their views, experiences and hopes for the future directly with those who help shape national policies affecting young people. The Children's Commissioner wants to ensure that children from every community have the chance to be heard.

We would encourage families to complete the survey together at home. It only takes a short amount of time, but it could make a real difference in helping decision-makers understand what matters most to children and young people today.

You can access the survey here:

<http://www.childrenscommissioner.gov.uk/thebigfuture>

At Downsview, we believe that every child's voice matters and that children should have opportunities to share their ideas, opinions and aspirations. This survey is a wonderful chance for our children to contribute to conversations that could influence future decisions across the country.

Thank you for supporting your child to have their voice heard. We look forward to seeing Downsview children helping to shape the future!

Volunteer today

Volunteers for the Summer Fair!

Many companies now offer **Employer Supported Volunteering (ESV)**, giving staff paid days off to support registered charities and community projects.

In the UK and globally, prominent businesses offering this benefit range from 1 to 10 paid volunteering days annually.

Please check with your HR department or supervisor if they offer this. We would only need your help for a few hours (2-3 hours, plus maybe 1 to help with setup).

If you are **self-employed**, please check the relevant laws and regulations.

We desperately need some manpower, especially to help with setup in the morning.

THIS IS OUR MOST LOVED AND BIGGEST EVENT OF THE YEAR!!!
