3RD JULY 2026

[LINK TO THE BOOK](#)

Sports Day 2026

Sports Day was once again one of the **highlights of the school year**, with our whole school community coming together to **enjoy a fun, competitive, and memorable event**. It was **wonderful** to see so many parents, carers, and family members supporting the children and **cheering them on** throughout the mornings.

Between 23rd and 29th June, we held four Sports Day events, with children from **Nursery through to Year 6** competing to earn **valuable house points**. Every child demonstrated **fantastic determination, perseverance, enthusiasm, and teamwork**, giving their very best in every activity.

The encouragement from staff, families, and fellow pupils created a **wonderful atmosphere** and helped make each event a **great success**.

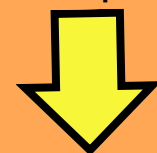

The sprint races provided an **exciting start** to each Sports Day, before children took part in a carousel of activities. These included **Didi car races, space hoppers, hockey, archery, and Hook-a-Duck**, ensuring there was something for everyone to enjoy while showcasing a range of sporting skills.

continued...

A **special mention** must go to our Sports Leaders, who once again did an **outstanding job**. Their leadership, commitment, and enthusiasm were evident throughout the events and truly reflected the **values of Downsview Primary School**. Teams earned points for their house at each activity station, with these scores combined across all year groups to determine the **overall house champions**.

Well done to every child for their fantastic effort and positive attitude. Thank you to all the staff who helped organise and run the events, to the parents and carers who came along to support, and to **every pupil who participated with such enthusiasm**.

Congratulations to everyone on another fantastic year of PE and sport at Downsview Primary School. **We hope you all have a wonderful summer, and we look forward to another exciting year of helping Downsview Sport continue to thrive.**

DOWNSVIEW CROWNED CROYDON SCHOOL CUP CHAMPIONS!

The excitement was building from the moment the players arrived for the Croydon School Cup Final. They were full of anticipation, determined to give their best and finish the season on a high. From the first whistle, the team played with confidence, energy and great teamwork, producing some excellent football throughout the match.

Downsview took the lead when Leon calmly converted a penalty to make it 1-0. He then doubled the advantage with his second goal of the game after another excellent attacking move. Although the opposition pulled a goal back, Downsview remained focused and continued to play positive football. Canaan sealed the victory with a brilliant third goal, giving Downsview a well-deserved 3-1 win against Royal Russell.

This incredible achievement is even more special considering that over 60 schools entered the competition. To be crowned Croydon School Cup Champions is a fantastic accomplishment, and everyone at Downsview is immensely proud of the players for their commitment, teamwork and determination throughout the tournament.

A huge thank you goes to Coach Michael and Mr McKenzie for their dedication, encouragement and support throughout the season. Their hard work has helped the team reach this amazing success.

Congratulations to every player on a fantastic season and a well-deserved cup victory. Champions!

Mr Bernatovitch - Team Manager

Y5

¡Viva España!

Celebrates Spanish Culture & Gastronomy

Year 5 kicked off the day with a **fiesta to remember!** All three classes gathered under the blue gazebo for a **traditional Spanish breakfast** celebrating the food and culture of Spain.

The morning began with a **delicious tapas spread, kindly donated by Abi (Mia's mum, 5 Raven)**, featuring Spanish Iberian chorizo, fuet, Manchego cheese, Spanish potato omelette, picos de pan, and pickled garlic!

Tapas!

Dipping yummy "bizcochos" in chocolate & Traditional Porrón drinking!

Next came a **Spanish classic: traditional hot chocolate**, served thick and rich, perfect for **dunking bizcochos**.

To top it all off, the children took on two fun challenges – **the porrón challenge and the churro challenge**. It was messy, it was chaotic, and it was absolutely brilliant fun!

A huge thank you to **Abi** for her generosity and to everyone who helped make this such a memorable celebration of Spanish culture.

¡Olé!

The fun continued...

Help Us Rebuild Our Forest School

We are very sad to share that our Forest School area was vandalised over the weekend after people entered the school site without permission. A number of our resources were broken, taken away, or damaged beyond repair, leaving us with very little for the children to use during their Forest School sessions.

Forest School provides our children with invaluable opportunities to learn through exploration, creativity and imaginative play outdoors. It is a much-loved part of school life and we are determined to restore the area as quickly as possible.

We would be incredibly grateful for any donations of clean, unwanted household items that could be given a new life in our Forest School. We are particularly looking for:

- **Old pots & pans**
- **Plastic bowls, plates & cups**
- **Buckets & tubs**
- **Plastic drainpipes**
- **Kitchen utensils such as whisks, wooden spoons, ladles & cutlery**
- **Any other safe, durable items that you think could be useful for outdoor imaginative play**

HELP!

If you are able to help, please send any donations to the school office, where a member of the Forest School team will collect them.

Thank you for your kindness and support. With the help of our wonderful school community.

We hope to rebuild our Forest School and once again provide the children with the rich outdoor experiences they enjoy so much.

CULTURE WEEK

Our lives and traditions - Thursday 9th July:

Own clothes day - either colour of flags or traditional outfits

Bring your own food to share and celebrate your cultures - remember **NO NUTS!**

Our Cultural Showcase - Friday 10th July:

1.15pm - 1.45pm - head to KS2 hall to see all the fantastic learning & celebrations

2.00pm - 3.00pm - KS1 and KS2 dance showcase on the field.

Please arrive from **1.45pm** onwards.

PLEASE NOTE: You will not be able to collect children directly from the field at the end of the show.

***Teachers will be dismissing children from their usual collection points at 3.15pm
This is in line with our safeguarding policy and we thank you in advance for your understanding.***

Can You Help with Culture Week?

One of the most memorable parts of Culture Week is learning directly from our families. We would LOVE to hear from parents, carers and community members who could lead a short workshop for a year group. This might include:

- Sharing a traditional story, song or dance
- If you work in a job that supports the community (e.g. charity work, local government, the arts, healthcare or community services)

Whether you can offer a hands on activity or a short talk to a year group, we would be delighted to hear from you!

Please message your class teacher or Mrs Travers via Class Dojo to arrange.

A Day in my Shoes!

YEAR 1–6 POETRY COMPETITION

As part of Culture Week, we have a poetry competition where all children in Years 1–6 are invited to create a poem, at home, which can be performed. The poetry structures for year groups are below:

- **Year 1–2: Senses poem (I hear, I see, I feel)**
- **Year 3–4: Acrostic**
- **Year 5–6: Free verse**

This theme, 'A Day in my Shoes', asks children to write a poem from their own perspective, capturing what it is like to live a single, ordinary day in their world. It is an invitation to celebrate the small, everyday details that make their life unique.

The FOD have donated the winning prize. There will be one KS1 winner and one KS2 winner. The winners will receive a £20 Waterstones voucher. The winners will also perform at the Culture Week showcase on Friday 10th July.

If you would like to take part, write your poem at home and practise your performance with your family and friends.

The deadline for entry is Friday 4th July 2026.

Managing Digital Boundaries

CHILDREN UNDER 5

Screens are now part of daily life, but for very young children, simple and predictable boundaries can make a big difference.

This guide explores how adults can help under-fives build healthier digital habits by choosing content carefully, keeping devices in shared spaces, protecting bedtime routines and making screen time feel calm rather than constant.

It also highlights the importance of adult involvement, from co-viewing and chatting about what children see to modelling balanced device use ourselves. With practical scripts, transition tips and age-appropriate routines, the guide offers supportive advice for families, nurseries and early years settings looking to manage screen time with confidence.

WAKE UP WEDNESDAY LINK

Mangrove forests staged a global comeback...

[LINK to the Article](#)

The world's mangrove forests have staged a remarkable global recovery, with scientists hailing the news as “an important source of optimism for climate action”.

Mangrove forests protect millions of people from storms, absorb vast amounts of CO₂ and are vital nurseries for fish. However, despite their services to humanity, they have vanished at an alarming rate since the 1980s. Until recently.

A new study suggests that gains have been outpacing losses over the last 16 years, resulting in only a 1% net decline in total area covered during the last 40 years.

“After decades of loss, we’re finally seeing a global turning point for mangroves,” said study lead Zhen Zhang from Tulane University, Louisiana, US. “This highlights their strong resilience and their potential as a powerful nature-based solution for climate mitigation and coastal protection.”

The research also found that existing mangrove forests are becoming denser and healthier, reflecting the impact of conservation policies and restoration programmes. However, threats to the ecosystems remain in some regions.

Dr Daniel Friess, professor of environmental sciences at Tulane, said that overall the findings were a “rare conservation success story” and an “important source of optimism for climate action”.

What makes something popular?

Squishy dumpling toys have become popular with many children in recent months. Videos showing people squeezing, collecting, and opening the toys have helped them spread quickly online. As more people have bought these types of toys, Trading Standards officers have been called in to carry out safety checks on some of the products being sold in shops and online.

Things to talk about at home...

- What was your favourite toy when you were younger? How did you first hear about it?
- Do you believe toys become popular because they are fun, because friends have them, or for another reason?
- If you could invent a new toy, what would it be like, and how would you make it popular?

DOWNSVIEW AT THE SMB FORUM IN CROYDON

Ms Sanchez was invited to speak at an SMB forum this Thursday, organised by the Croydon Education Partnership for a group of schools across Croydon, to share our experience on how to get started with a Climate Action Plan — now a requirement from the DfE for all educational settings.

Downsview has been developing its Sustainability programme for years, and it's great to be able to share our experience with other schools.

Jumping Fun Day!

16th July

As you know, we had to cancel the assault courses on the Sports Days due to the heatwave we had.

The bouncy castles wouldn't have been safe to use and safety is always our priority.

However, we know how much the children love them so we decided to hire a few more and have a whole day of bouncing fun!

Every class will have their turn to enjoy them during the school day **(free of charge)**

Also a MUFTI day (no donations required) **so come in your own clothes if you like!**

UNIFORM SALE!!

10TH JULY 1PM-3.30PM

Every item £1 or fill a bag for £5

Plus free items (t-shirts, tights, socks,)

Please note items are not damaged but need a wash

Help us to reuse uniforms and save the environment!

PRESENTS

Annie Jr.

The Musical

at

STANLEY ARTS

27th June 2026

 **Come and Support Annie Jr!** 

Why not enjoy a **fantastic performance** of Annie Jr. this Saturday at Stanley Arts? There are two performances to choose from – one in the morning and one in the afternoon.

We're especially proud that lots of **Downsview children are taking part**, including **Esme Wood** (Year 5), who is playing one of the lead roles as Annie, alongside several other **pupils from Years 2, 3 and 4**.

The cast would love your support, and ticket sales could do with a boost.

It promises to be a **wonderful show, a great way to escape the heat for a while**, and a fantastic opportunity to encourage and celebrate the confidence and talent of **our amazing children**.

 Book your tickets here:

Keeping Safe in the Heat

With the warm weather continuing please help your child stay safe in the sun by:

☀ Bringing a named water bottle to school every day

🧢 Wearing a sun hat when outdoors

🧴 Applying sun cream before school

👕 Wearing light, comfortable clothing

🌳 Staying in the shade where possible

Please remind children to drink plenty of water throughout the day

Please remind school children to not swim in any **open water** in Croydon during this extreme weather.

Whilst it may look inviting, **it is dangerous.**

Jumping into cold water on a hot day can lead to cold water shock and drowning.

Advice on how to **stay safe** near water is available on the following websites:
