10TH JULY 2026

Saying Good-bye

As we come to the end of another wonderful school year, we would like to say a heartfelt goodbye and good luck to some of our much-loved and highly valued members of staff:

Mr McKenzie, Ms Condon, Ms Charlton, Ms King and Ms Goode.

We would like to thank each of them for their hard work, dedication and commitment to our school community. Their contributions have extended far beyond the classroom, including leading important curriculum areas such as Computing, Religious Education and Sustainability, helping to enrich the learning experiences of all our children.

A special mention must go to Ms Charlton, whose energy, enthusiasm and passion for Nursery have been truly infectious. She has brought joy, warmth and endless positivity to our youngest learners and their families.

Whilst we will miss them all, we are incredibly grateful for everything they have given to Downsview. We wish each of them every success and happiness as they begin their next chapter. **Thank you for everything—you will always be part of the Downsview family.**

Welcome!

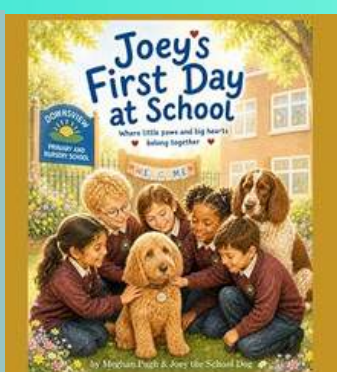

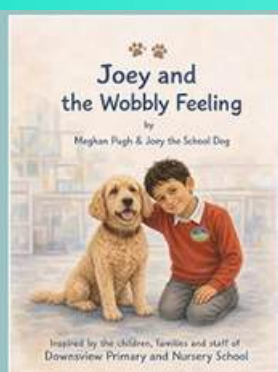

We are equally delighted to welcome the newest members of the Downsview team.

Our new staff will be joining us on Monday to meet their new classes, colleagues and the wider school community as they begin preparing for the exciting year ahead. They each bring a wealth of experience, enthusiasm and expertise, and we know they will be fantastic additions to our school.

What stood out throughout the recruitment process was not only their professionalism and passion for education, but also how closely their values align with the ethos of Downsview. They share our commitment to nurturing every child, building positive relationships and ensuring that every child feels valued, supported and inspired to succeed.

We know they will bring fresh ideas, great energy and a genuine passion for making a difference, and we are excited to see the positive impact they will have across our school.

Please join us in giving them a very warm Downsview welcome. We look forward to introducing them to our families and know they will quickly become an important part of our school community.

Teaching Team for Next Year

Below is a list of our new year teams for the 26/27 academic year. Our LSAs will continue to work in Year groups, in accordance with our agile teaching approach. All of our staff will work together and take an active part in ensuring that individual needs are met and that our children make accelerated progress in all areas of their learning.

Current	26.27 Class Name	Teacher	LSA
	Acorn	Ms Becker	Mrs Khan
	Tadpole	Ms Treppass	Miss Spencer Mrs Esmail Mrs Golding
	Caterpillar	Miss Flute	
	Duckling	Miss Peter	
Tadpole	Hedgehog	Miss Johnson	Miss Patel Mrs Lorenzi Miss Grimshaw
Duckling	Squirrel	Miss Rathod	
Caterpillar	Fox	Miss Francis	
Hedgehog	Bluebell	Mrs Travers	Mrs Hudda Mrs Abbas
Squirrel	Daffodil	Miss Moir	
Fox	Thistle	Miss Davidson	
Bluebell	Lizard	Mrs Bryant	Mrs Varney Mrs Gaffar Miss Glover
Thistle	Frog	Ms Khanam	
Daffodil	Adder	Mrs O'Connor	
Lizard	Ladybird	Mrs Malik	
Adder	Cricket	Miss Smith	
Frog	Dragonfly	Miss Abdi	
Ladybird	Raven	Miss Ma	Mrs Masud Mrs Salim
Dragonfly	Goldfinch	Miss Morgan	
Cricket	Wren	Miss Elgamal	
Goldfinch	Hawthorn	Mr Stphenson	Mrs Siddique Mrs Patel
Wren	Oak	Miss Higgins	
Raven	Juniper	Mr Tierney

PE and Forest School Leader: **Mr Bernatovitch**
MFL and Eco-sustainability Leader: **Mrs Sanchez**
Dance and Gymnastics Leader: **Mrs Chamberlain**

Help Us Rebuild Our Forest School

We are very sad to share that our Forest School area was vandalised over the weekend after people entered the school site without permission. A number of our resources were broken, taken away, or damaged beyond repair, leaving us with very little for the children to use during their Forest School sessions.

Forest School provides our children with invaluable opportunities to learn through exploration, creativity and imaginative play outdoors. It is a much-loved part of school life and we are determined to restore the area as quickly as possible.

We would be incredibly grateful for any donations of clean, unwanted household items that could be given a new life in our Forest School. We are particularly looking for:

- Old pots & pans
- Plastic bowls, plates & cups
- Buckets & tubs
- Plastic drainpipes
- Kitchen utensils such as whisks, wooden spoons, ladles & cutlery
- Any other safe, durable items that you think could be useful for outdoor imaginative play

HELP!

If you are able to help, please send any donations to the school office, where a member of the Forest School team will collect them.

Thank you for your kindness and support. With the help of our wonderful school community.

We hope to rebuild our Forest School and once again provide the children with the rich outdoor experiences they enjoy so much.

Year R

We had an amazing time at Crystal Palace Park exploring nature as we joyfully journeyed pass the Dinosaur park admiring the huge architectural sculptures, through the farm, though not many animals to see and down the hills until we finally enjoyed some play time in the play area! We went down the slides, climb through tunnels and got sand in our toes in the sand pit. Let's not forget our calm travel back and forth on the bus, we were so quiet that adults came upstairs and were shocked to know that we little people were sitting there! It was an amazing day!

We were so lucky this morning to have an expert, local beekeeper visit in Reception, teaching us all about the importance of bees and pollinators. Sarah bought some examples of beeswax, honey and bee homes for the children to handle and explore.

The children are now 'bee experts' and know all about different kinds of bees, the importance of leaving out shallow bowls of water for them to drink, that they need flowers to survive and that we depend on bees for much of the food we eat. The children then noticed that some fluffy bumble bees were visiting the beautiful sunflowers that they had planted!

Y

Our Year 6 production of The Lion King was nothing short of spectacular! From the opening scene to the final bow, the children captivated their audience with an outstanding performance that showcased their incredible talent, confidence and teamwork.

6

Throughout the rehearsal process, the children demonstrated exceptional professionalism. They took real ownership of their roles, learned their lines with dedication and supported one another every step of the way. Their commitment to rehearsals and willingness to work together ensured that every performance ran smoothly, allowing them to shine on stage with confidence.

They brought the much-loved story to life with expressive acting, energetic singing and enthusiastic dancing. Behind the scenes, the children also showed remarkable maturity, helping with scene changes, encouraging their classmates and taking responsibility for ensuring everything was ready at the right moment. Their resilience, independence and positive attitudes were evident throughout the production.

It was wonderful to see each child grow in confidence and embrace the opportunity to perform. Whether they had a leading role, formed part of the ensemble or supported backstage, every single pupil played an important part in making the production such a memorable success.

We could not be prouder of everything Year 6 achieved. Their hard work, dedication and enthusiasm were reflected in every performance, and they should all be incredibly proud of themselves.

DANCE

On Tuesday 7th July 26 of our infant pupils in the dance team went to compete for the Croydon borough finals of " **Let your feet compete** ". 7 infant schools in the borough took part to find the Croydon champions.

During the day we went to Trinity High school for rehearsals in the day and to get the opportunity to perform on stage. This was the first time a lot of our team have performed. We got to watch all the other schools too which was exciting to see everyone's interpretations on the theme.

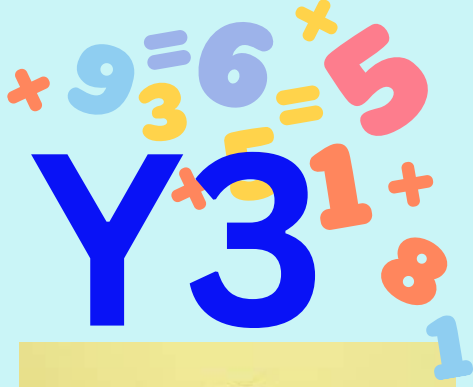

This years theme set by the organisers was " **we trust** ", we interpreted this theme as " **we trust each other and the process. If you want to get somewhere quickly do it alone, but if you want to get somewhere great do it together**".

It was time for the evening competition and the parents and supporters of Downsview came in full force ready to cheer. The performance was **sensational** and the timing and teamwork was on point. The judges gave such great feedback with one mentioning we are the definition of team work.

The result came and **Downsview won the infant Croydon dance Final**. All those rehearsals and lunchtimes practicing paid off. A huge congratulations to ; 1 Hedgehog- Zakayla, Alara- Mae, Kali, Hannah, 1 Fox- Ameera, Safiyah, Zara, Thomas, Dan, 1 Squirrel- Jack, Zachary, Hannah, Betty, Romi, 2 Thistle- Malena, Melissa, Nevaeh, Sadie, 2 Bluebell- Sidney, Charter, Frank, Karan, Esther, Kiera, Andra and Aniyah-Leigh

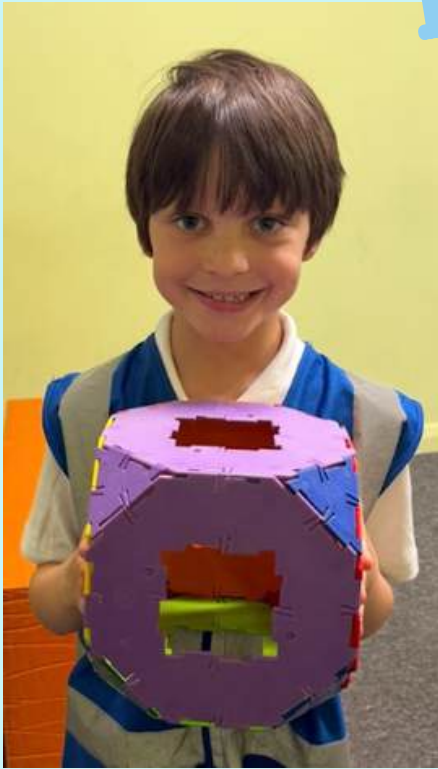

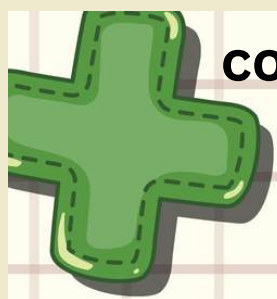

Our visit to **Maths World** was a fantastic experience and a wonderful opportunity for the children to **explore maths through exciting, hands-on activities**. Although the weather was extremely hot throughout the day, the children showed great **resilience and enthusiasm**, making the most of every activity on offer.

They worked brilliantly together, demonstrated **excellent behaviour**, and embraced every challenge with smiles and determination. Despite the heat, it was a memorable **day filled with learning, laughter, and lots of fun**.

continued...

B+

Pizza

On Thursday, 1 Hedgehog went on a wonderful trip to Pizza Express, where every child had the opportunity to make their own margherita pizza. The children were shown each step of the process, including how to stretch the dough and carefully spread the tomato sauce and cheese evenly across the base.

Everyone thoroughly enjoyed the experience, but the highlight was returning to school and tasting the delicious pizzas they had made themselves! The children behaved brilliantly throughout the trip, and all of the adults were incredibly proud of them for representing the school so well! Well done 1 Hedgehog.

Surf's Up!

What an amazing opportunity eight children from year 5 had; to go surfing for a weekend in North Devon.

They had a fantastic time, learning about the ocean, making sandcastles, rock pooling and of course surfing. They were instructed by a number of volunteers including the Scottish Champion as well as the recipient of the Big Wave award.

With such an array of teaching talent, it was unsurprising that all the children were able to surf by the end of the first day. Devon has never seen so many young smiles.

This athleticism did not go unnoticed and the BBC sent a camera crew to interview the children, which was edited on the same day and shown on the Sunday news.

A trip to the beach is never complete without ice-cream, which naturally was made with Devon milk.

Wonderful memories, that will hopefully last a lifetime.

Tec-Free Summer FOR TEENS

For many young people, the summer holidays can easily become dominated by phones, gaming, streaming and social media. This guide offers reassuring, realistic advice for parents, carers and educators who want to encourage 11- to 16-year-olds to spend more time offline without making technology feel like the enemy.

From phone-free challenges and micro-adventures to active travel, outdoor clubs and creative alternatives to scrolling, the guide focuses on small, achievable changes. It also highlights the importance of giving teens choice, responsibility and social motivation, helping them build confidence, wellbeing and healthier habits throughout the summer.

HPV vaccine has 'almost eliminated' cervical cancer

A future where almost nobody gets cervical cancer is "firmly in sight," doctors said this week, as a study showed that for the first time no women in their early-20s died from cervical cancer in England between 2020 and 2024.

The "incredible milestone" follows the rollout of the human papillomavirus (HPV) vaccine, which scientists say has reduced the risk of cervical cancer deaths before the age of 30 to "effectively zero".

HPV infects cells inside the body. Most people catch it at some point and while the infection usually clears, some types can cause cancer – a link that was established 25 years ago, leading to the development of a vaccine against the disease.

The UK was one of the first nations to roll out a HPV vaccine in 2008. The latest study offers the strongest evidence yet that it is saving lives, estimating that around 200 cervical cancer deaths have been prevented so far in England alone – a figure that lead researcher Peter Sasieni, professor of cancer epidemiology at Queen Mary University London, believes is the tip of the iceberg.

"As vaccinated generations grow older, we'll see many more lives saved from cervical cancer," he said. "It is incredible to think that a single jab can almost eliminate a particular type of cancer. This new research shows just how vital it is to keep HPV vaccination levels high so more people are protected."

How can we travel while protecting nature?

People living in remote parts of the Amazon rainforest in Ecuador are using solar-powered canoes to travel along rivers.

The boats use energy from the Sun instead of petrol, making journeys quieter and creating less pollution. The project is helping people travel while protecting the rainforest and has inspired other communities in the Amazon to try similar ideas.

Things to talk about at home...

- How do you usually travel to school, work, or the shops? Why do you or the adults you travel with choose those ways?
- Can you think of any journeys that could be different to help protect nature?
- If you could invent a new way to travel that was kinder to the planet, what would it be like?

FOD NEWS

SUMMER FAIR

WHAT A DAY IT WAS!!!

Our Summer Fair was everything we hoped it would be and so much more! From candy floss, ice creams, pizzas and BBQ treats to face painting, games, activities and keeping fit, there was something for everyone. We were treated to fantastic displays from our football team, Ms Chamberlain's dance and cheerleading groups, Taekwondo and so many other talented groups. Joey was busy meeting his fans and signing copies of his books, and there were smiles around every corner.

But more than anything, it was the **atmosphere** that made the day so special. The laughter, the conversations, children playing together, families having a picnic and spending time together and our staff, volunteers and our team working side by side.

THE VIBES WERE SIMPLY INCREDIBLE.

Days like today remind us that Downsview is **so much more than a school**. We are a community, with the school right at the heart of it. A huge thank you to every volunteer, member of staff, performer, stallholder, supporter and family who helped make the day such a wonderful success.

WE COULDN'T HAVE DONE IT WITHOUT YOU!

RAFFLE PRIZES

HELPERS' RAFFLE

Jumping Fun Day!

16th July

FREE!

As you know, we had to cancel the assault courses on the Sports Days due to the heatwave we had.

The bouncy castles wouldn't have been safe to use and safety is always our priority.

However, we know how much the children love them so we decided to hire a few more and have a whole day of bouncing fun!

Every class will have their turn to enjoy them during the school day **(free of charge)**

Also a MUFTI day (no donations required).
Children can wear their own clothes!!
Plus last ICE CREAM SALE!!!

LAST UNIFORM SALE!!

10TH JULY 1PM-3.30PM

Every item £1 or fill a bag for £5

Plus free items (t-shirts, tights, socks,)

Please note items are not damaged but need a wash

Help us to reuse uniforms and save the environment!
